Re: Texas Real Estate Commission MCE Instructor Approval
TREC ID# 881361358

We have reviewed your application to become a Texas Real Estate Commission instructor of MCE elective courses. You are approved to teach MCE elective courses for a five-year term:

Approval Term: June 1, 2009 through June 30, 2014

This letter is your proof that you are approved to teach MCE elective courses for Commission-approved MCE providers. You should be prepared to present this letter to each MCE provider that proposes to employ you as an MCE elective course instructor. It is up to the MCE provider that hires you to determine whether you have the requisite content knowledge to teach specific MCE elective courses.

If you wish to teach the TREC required MCE Legal Update or Ethics course, you must become certified by attending instructor training sessions offered through the Real Estate Center at Texas A&M.

In order to teach Core real estate courses you may request approval by submitting TREC Form ED 4-1 and the requisite filing fee. To teach Core courses you must meet the experience and teaching requirements found in Section 535.64(i) of the Rules of the Commission, and must submit appropriate documents to support that experience.

It is important that you maintain a current email address with this office at all times. Please visit our website at http://www.trec.state.tx.us to obtain current information regarding TREC Rules, policies, and procedures.
